MEMORANDUM FOR THE RECORD

SUBJECT: Home Service Transfer Allowance

STATINTL

STATINTL

[redacted] and I agreed with [redacted]
a proposed article for the Support Bulletin on the above subject,
which would take into account Colonel White's memorandum of
13 September. The new article would be a rewrite of the article
of August 1 and would include also a warning that all concerned
should be aware that when an employee reports for duty PCS
Washington, his medical entitlements thereby terminate.
Colonel White's memorandum, concurred in by this Office,
may be regarded as a legal opinion.
